

PAM

Planning Sign Set

PAM has a standardised set planning of signs that you can use right out of the box. The Planning Signage Set are pre-installed and can be used for your planning needs throughout the planning & implantation process. If you cannot find a sign type within the Planning Set that you require, then you can use the Custom Signage Request for one to be created.

In this document, you will see the standard Planning Signage Set available for PAM. Please select which planning signs you would like available for your project and return the form back to your Customer Success Manager at support@pamwayfinding.com

Categories and Sign Types

A project will have a destination dictionary categorised in a hierarchy. Each sign type is allowed to contain dictionary items based upon a defined strategy. This ensures that the correct content appears on the correct sign type. For example, a large wayfinding sign type will contain directions to primary destinations and it will not contain directions to a staff office. Working within this hierarchy enforces the wayfinding strategy and safeguards the longevity of a wayfinding strategy.

Each project type has a pre-defined dictionary to get you started.

University

Category	Description	Examples
1	Primary Identifications	University Name, Building Name, Precinct Name
2	Primary Destinations	Library, Student Centre, Sports Hall
3	Primary Building Destination	Faculties, Schools, Deanery, Research Centre, Institute
4	FOH/Public Destinations	Classrooms, Theatres, teaching Spaces
5	BOH/Staff Destinations	Staff Offices/Names, Administration, Mail Room, Meeting room
6	Circulation & Amenities	Toilets, Showers, Stairs, Lifts, Ramps
7	Building Services	Electrical Riser, Mechanical Riser, Fire Hose, Extinguisher

Hospital

Category	Description	Examples
1	Primary Identifications	Brand Name, Building Name
2	Primary Destinations	Cafe, Reception, Emergency
3	Unit/Departments	Radiation Unit, Ambulatory Care Unit
4	FOH Room/Public Rooms	Consult room, Bed
5	BOH Room/Staff Rooms	Staff Room, Staff Office, Administration
6	Circulation & Amenities	Toilets, Showers, Stairs, Lifts, Ramps
7	Building Services	Electrical Riser, Mechanical Riser, Fire Hose, Extinguisher

Airport

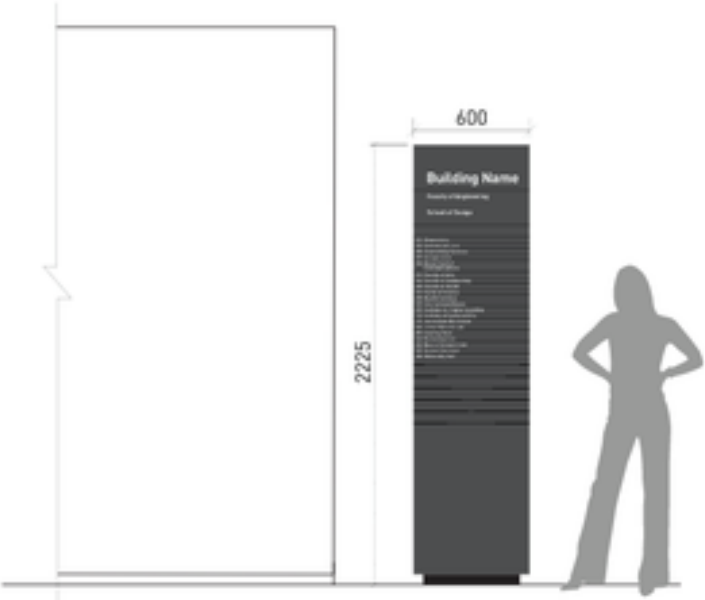

Category	Description	Examples
1	Primary Identifications	Client Name, Building Name, Terminal, Parking Lot
2	Primary Destinations	Gates, Arrivals, Departures, Check In, Security, Baggage Claim
3	Commercial	Shops, Food Hall, Retail
4	Destinations	Lounges, Ticketing, Customer Service, Oversized,
5	BOH Rooms	Staff Room, Staff Office, Administration
6	Circulation & Amenities	Toilets, Showers, Stairs, Lifts, Ramps
7	Building Services	Electrical Riser, Mechanical Riser, Fire Hose, Extinguisher

Internal Sign Types

Sign types suitable for internal wayfinding.
